

Get Back OnBoard!

with a FREE boat

from the Sarasota Power Squadron

Our Squadron belongs to the Suntex Boat Club, and we're going to share that membership with you! You just need to be a member of the Sarasota Power Squadron, be able to legally operate a boat in Florida and have completed Boat Handling (formerly Seamanship).

Then your Squadron membership (single or family) entitles you to the following privileges:

1. You will be able to take out one of our boats up to 5x/year (morning or afternoon).
2. You can get an additional session if you earned a Merit Mark in the prior year, and
3. An additional session if you Chair one of our committees or a major event this year.
4. Your sessions are not transferable, and
5. Can't be carried over to the following year.
6. If you join after July 1 you are entitled to 3 sessions for the remainder of the year.

And, oh yes, you will be required to sign a release holding the Squadron harmless from any fines or damages you might incur.

The boats are free for you to use, except for refueling.

Contact [Barbara Wolfe](#) to reserve your boat.

Boat style and date requested are subject to availability.
