Take out a boat for 4 hours for just \$25 From the Sarasota Power Squadron

Our Squadron belongs to the Suntex Boat Club, and we're going to share that membership with you! You just need to be a member of the Sarasota Power Squadron, be able to legally operate a boat in Florida and have completed our Boat Handling course. Online courses do not fulfill this requirement.

Then your Squadron membership (single or family) entitles you to the following privileges:

1. You will be able to take out one of our boats up to 5x/year (morning or afternoon).
2. Reservations can be made up to three weeks in advance.
3. However, only one reservation can be on the books at a time.
4. You can get an additional session if you earned a Merit Mark in the prior year, and
5. An additional session if you Chair one of our committees or a major event this year.
6. Your sessions are not transferable, and
7. Cannot be carried over to the following year.
8. If you join the program after July 1 you are entitled to 3 sessions for the remainder of the year. And if you join after Nov 15 you'll get 1 session for the remainder of the year, and then back to five in January.
9. You will be required to sign a release holding the Squadron harmless from any fines or damages you might incur

In addition to the non-refundable \$25, you will pay to refuel the boat.

Contact Barbara Wolfe (barbara@ivymtc.com) to reserve your boat.

Boat style and date requested are subject to availability

To protect the rights of all members, any member making reservations directly with Suntex, as part of this program, will lose all further privileges of this program.
