

The Jump Start Program

We're excited about being able to offer you the **Jump Start** Program, which is a hands-on, one-on-one, training program for new boaters or new-to-the-area boaters.

Several of our most experienced boaters have volunteered to go out with you on your boat, a boat you've rented, or one of our boat club boats, for a two-hour session.

Each membership unit can sign up for the Program two times. It is free, except the student shall pay for the fuel used for the instruction. If further sessions are desired, they will be charged \$50 plus the cost of fuel.

- **Jump Start** is for America's Boating Club of Sarasota members only.
- You must have completed the America's Boating Course or equivalent and have your Florida Boating Safety Education ID card.
- The boat used for instruction must have a Vessel Safety Check (which the Squadron can provide free of charge).
- And life preservers must be worn throughout.

For more information, or to sign up for **Jump Start**, please contact JoAnn Pack (japack9@gmail.com) our **Jump Start** Coordinator.
